ORDER

IT IS HEREBY ORDERED, Administrative Order 28-20 is superseded by Order 31-20. Effective at 5:00 p.m. on Monday, September 28, 2020, and continuing until modified or extended in a subsequent administrative order.

WHEREAS, the Centers for Disease Control and Prevention have declared that the outbreak of COVID-19 is a worldwide pandemic, and it has been declared a national and state wide state of emergency; and

WHEREAS, on July 24, 2020, the Supreme Court of Missouri issued its updated Operational Directives for Easing COVID-19 Restrictions on In-Person Proceedings Order, effective August 1, 2020; and

WHEREAS, it is imperative that the Court continue to take steps to protect the health and safety of all persons in the courthouse and continue to employ best practices recommended by the Centers for Disease Control and local health departments, while balancing the rights of all individuals; and

WHEREAS, the 13th Circuit has reviewed the Supreme Court's Gateway Criteria (attached);

IT IS HEREBY ORDERED, effective 5 p.m. on Monday, September 28, 2020, until and unless modified or extended in a subsequent administrative order, the Boone County Courthouse shall operate in Supreme Court Operational Directive Phase 3.

OPERATING PHASE 3

Pursuant to the Supreme Court directives, while operating under Phase 3, the Court will:

1. Continue to consult with local judiciary partners and rely on local health officials or departments and CDC guidance to adapt court operating decisions to local health conditions.
2. Resume in-person court proceedings, including grand and petit jury proceedings that can be conducted in compliance with social distancing protocols and occupancy rate limitations.

3. Large venues and common areas such as courtrooms, jury assembly rooms, jury deliberating rooms, break rooms, and other areas in the court facility can operate under social distancing protocols.
4. Face masks or coverings shall be required in all public court areas and during all court proceedings unless good cause is shown to limit the requirement in particular proceeding, such as for a witness who is testifying. Masks will be provided to the public. Continue to allow vulnerable litigants, witnesses, victims, attorneys, and other individuals involved in court proceedings to participate in the proceedings remotely or continue or postpone their required presence at the court facility.
5. Continue to encourage judges and court staff to utilize all available technologies – including teleconferencing and video conferencing – whenever possible to limit in-person courtroom appearances to the extent practicable and not prohibited by constitutional or statutory provisions.
6. Persons who appear to be ill may be asked to leave the courthouse and will be given a subsequent date to appear. There is signage on court buildings directing the public not to enter if the person has been exposed to someone suspected or confirmed to have Covid-19, or have a fever, cough or difficulty breathing.
7. Continue increased cleaning and disinfection of common areas and provide hand sanitizers throughout the courthouse and offices, and reminders about the importance of covering coughs and sneezes, and washing hands.
8. Face masks and coverings shall be required except when an individual is alone in a private office. Judicial employees should continue to adhere to social distancing guidelines in court facilities.
9. In all criminal cases where the defendant is in detention in Boone or Callaway counties' jails, or otherwise in custody at any other detention center or at any other prison, said defendants shall not be personally transported to or brought into court for any hearing except in exceptional circumstances and as requested by the attorneys and ordered by the judge presiding over the case.
10. To the extent the directives and declarations set forth in this Administrative Order differ with the Court's prior Administrative Orders, this Administrative Order controls.

BENCH WARRANTS AND CAPIAS WARRANTS

IT IS HEREBY ORDERED that in the event any Law Enforcement Officer in the 13th Judicial Circuit determines that the arrest of a Defendant on a 13th Judicial Circuit Bench Warrant or Capias Warrant will endanger the health of the Arresting Officer by infection with a pandemic disease, the Officer may, in her/his own discretion, not execute the warrant at that time.

FAMILY COURT

IT IS FURTHER ORDERED that in Family Court Cases, parties may waive hearing requirements by joint affidavit, even when one party is pro se.

THIS ORDER MAY BE AMENDED AS CIRCUMSTANCES REQUIRE.

IT IS SO ORDERED.

Done this 28th day of September, 2020.

Honorable Kevin Crane, Division III

Supreme Court Gateway Criteria

Consider each of the criteria below before resuming court activity or progressing to a new Operating Phase:

1. No confirmed COVID-19 cases in the court facility within a 14-day period.
2. Rescission or lack of stay-at-home orders or the relaxing of group gathering restrictions applicable to the community.
3. Improving COVID-19 health conditions over a 14-day period in the community, including conditions such as the number of confirmed COVID-19 cases and related deaths in relation to a community's population density, size of particularly vulnerable populations, and availability of medical facilities including emergency and intensive care capacity.
4. Consultation with local health officials or departments concerning changes to levels of court and courthouse activities.
5. Consultation with local judiciary partners such as children's division personnel, juvenile officers, members of the local bar, prosecutors and public defenders, law enforcement and probation and parole.

If these Criteria suggest local conditions are improving sufficiently, a presiding judge or chief judge may consider moving to a higher Operating Phase and gradually resuming and adapting previously suspended court activities.

If these Gateway Criteria suggest local conditions are worsening or that there is a resurgence of COVID-19 cases in the community, a presiding judge or chief judge should move to a lower Operating Phase including, when necessary and appropriate, returning to Operating Phase Zero.

If any court employee, bailiff, or other court personnel currently working in a court facility tests positive for COVID-19, the presiding or chief judge shall move that court facility to Operating Phase One or Zero.
